Gütersloh, 13.08.2019

Dear Sir / Madam,

we hereby confirm that the products **E-WELD 2, 3, 4** and **E-WELD ROB** based on their formulations and the information we have on the ingredients used for production, is free from silicones, siloxanes and halogens.

Furthermore, the products do not contain any substances that may form hazardous substances, gases or fumes such as nitrous gases, dioxins, furans or the like – when the above stated products are used during welding processes.

If you have any further queries, please do not hesitate to contact us

Kind Regards

i.A. **Rainer Moryäner**
product safety / product development
